Marriage is a point knot, tying two individual souls not just for seven circles but for long promises kept to each other, on the moving wheel of life, time has come when

Two hearts, two lives
One Dream...Forever..

"Marriages involves a stable set of socially recognized relationship between husband and wife"
- Recce Mc Gee

Two hearts that beat as one will bring their lives together as One.

Two lives, two hearts, joined together is friendship and united forever in love. This day we are united in friendship, faith and love.
A life of sharing and caring
A love of endless giving together.

Marriage is a point knot, tying two individual souls not just for seven circles but for long promises kept to each other, on the moving wheel of life, time has come when
Two hearts that beat as one
Will bring their lives together as one.

For us it will be a day to treasure
Your presence will make it memorable.

“It was Destiny that brought us together
It is Love that will keep us together”

’Love stands still .....When all else has Fallen.’

“Destiny is not something to be pursued;
It is something which walks with us, Always, hand in hand”
‘I love my life because it gave me you. 
I love you because you are my life.’

‘It was Destiny that brought us together 
It is Love that will keep us together’

‘Let us follow the traditions of one thousand years old, 
which is still going on strong like a pure gold 
Two of a kind, one as a whole 
Each completing the other, as no one will ever know.’

‘Marriages are settled in Heaven but celebrated on earth 
Sacred unity of two unknown souls are written right from birth.’

‘To have and to hold, from this day forward, 
To love and to cherish, so as none sets us apart’
'A life of sharing and caring...
A love of endless giving together'

'Two hearts that beat as one
Will bring their lives together as one'
'Within you I lose myself........
Without you I find myself, wanting to be lost again.'

'Don't walk ahead of me, I may not follow
Don't walk behind me, I cannot lead
Just walk beside me, and I will be Me.'

'A life of sharing and caring.
A love of endless giving, together
As our marriage brings new meaning to love
So our love brings new meaning to life.'

'In that book which is My memory
On the first page that is the chapter when I first met you
Appear the words......Here begins a new life.'

'Marriage....
Trust is the start of it,
Joy is a part of it,
Love is the heart of it
'This day I will marry my friend,  
The one I laugh with,  
Live for dream with,  
Love..... forever.'

'Today we are marching towards the Altar  
to say 'Yes' to each other  
Not only to 'Share Love' of one another  
But to 'Share Life' forever.'

'From this day onwards  
You will not walk alone  
My heart will be your shelter  
And my arms will be your home.'

'Come - n - Share the lustrous light  
Come - n - Join jubilant night  
Come - n - Bless the couple bright  
Weddings bells, to ring and chime  
Much awaited - joyous time.'

It is a special time of life,  
when stars from heaven come together,  
to tie a knot of love and happiness between two souls who  
are made for each other...forever.
In true marriage lies neither equal nor unequal
Each fulfill defects in each
And always thought in thought, purpose in purpose,
will in will, they grow into
The single, perfect and pure animal,
The two-celled heart beating, with one full strike, LIFE.

This day for us is special, a time beyond compare
The joy we feel deep in our hearts
We hope you will come and share
Your presence with us
would mean more than words can say
Please try to be there, to celebrate this special day

The word of marriage in Ancient Sanskrit language is
Grahastha Ashram
'Marriage is an Ashram - A place of discipline and responsibility
In Marriage a man and woman offer the whole of their self, mind,
body and feelings to each other
They do not live for self alone, they live for each other'

Marriage is the beautiful blending of two lives, two loves, two hearts
It is the wonderful, mystical moment
when a beautiful love story begins .... For a lifetime
Love fills the moments, and with these moments begins eternity,
Love fills a lifetime, and a lifetime begins this hour.”
Now we join our hands and with our hands come together our hearts

Marriage is a spiritual blending of two souls, two hearts.
It is a wonderful, mystical moment when a beautiful story begins...
On the moving wheel of life, the auspicious occasion has come when our loving daughter (Bride name)
Has decided to begin the golden chapter of her life by getting bound into the pious knot of Seven Circles with (Groom name)
"Two Hearts are getting closer together
to share every moment of their life.
As their marriage brings new meaning to love
So their love brings new meaning to life.'

~The Brahma Sutras

"Marriage is more than a beautiful celebration
It is a bright new beginning of two Souls becoming one.
To have and to hold, from this day forward,
To love and to cherish, so as none sets us apart."

~The Brahma Sutras

"Marriages are settled in Heaven but celebrated on earth
Sacred unity of two unknown souls are written right from birth.
Let us follow the traditions of one thousand years old,
which is still going on strong like a pure gold.'

~The Brahma Sutras

‘Marriage is a spiritual blend of two hearts,
Two souls that unite as one...to share each other’s dreams,
To cherish each other’s kindness,
To stand together through thick and thin.
And to love each other from within,
For it is this Love, that binds them ....
....throughout their lives’

~The Brahma Sutras

‘When the one man loves the one woman
and the one woman loves the one man,
the very angels desert heaven
and come and sit in that house and sing for joy.’
~The Brahma Sutras
"It is a special time of life,
when stars from heaven come together,
to tie a knot of love and happiness between 'Bride' and 'Groom'
who are made for each other...forever.
We could be honored and happy if you could join us
as the joy of this union before God is here."

A tremendous day in our lives is drawing near
We could be honored and happy if you could join us
As the joy of this union before God is here
For us it will be a day to treasure,
Your presence will make it memorable...

Place me like a seal over your heart, like a seal on your arm;
for love is as strong as death, its jealousy unyielding as the grave.
It burns like blazing fire, like a mighty flame.
Many waters cannot quench love;
rivers cannot wash it away...
Song of Solomon 8:6,7 (NIV)

"Love bears all things,
believes all things,
hopes all things,
endures all things."
1 Corinthians 13:7

The minute I heard my first love story I started looking for you, not knowing how blind I was. Lovers don't finally meet somewhere…
they’re in each other all along.
~Rumi
“Love fills the moment
and that Moment begins Eternity
One Love, One Dream, One Heart...”

Through an arbour abloom a pair glides onto the garden of roses where butterflies swarm,
Where dreams come true, days coo and hearts are eternally warm!!

“Marriage is the fusion of two hearts,
The harmony of two souls, the union of two families.
It is an eternal commitment two people make
to believe in each other, understand and forgive each other,
and above all ...... Love each other.”

At the touch of love, everyone becomes a poet. - Plato

“Looking at my life, I see that only love has been my soul’s companion”
Rumi
‘She came to our lives as
‘A Pretty Petal’
and brought our world to its blossom...
Today she steps out to join her ‘Prince’
to live the world of her dreams.
“I can’t honestly say that I was looking for You,
And I doubt if You were looking for me...
But it happened...
And here we are...
two people, just happy being together,
Not knowing where to go,
But very sure, that wherever it is,
We’ll be going there...
together.”

“Marriages are made in Heaven”
It is the solemnization of the sacrament of matrimony that the couple administer to each other. It is meant to unite two souls so firmly that after marriage they merge and become one harmonious whole. Marriage is ordained by God for the happiness of man & woman and for the welfare of the human race. It is the crown of His creation. It is the foundation of the home & society. God acknowledged it as a joyous occasion when two hearts are joined to gather in love. God will shower joy and sunshine on Bride & Groom as they enter the hall of highest human happiness.

'Some years ago back over in time,
God sweetly gave us (daughter's name)...a precious gift indeed.
Blessed us many years through, yet years seem to pass so rapidly.
For it seems only yesterday, that her tiny frame was in our arms.
Yet see how she’s grown today, and in her journey onwards in life, we wish only the best for her.
Her life be filled with joy & peace, her countless dreams come true.
She still and will always remain our special tiny sweet baby girl, the Little one God gave us.
Our warmest wishes to guide her footsteps, as she steps into her new life,
With love & warmth, each sunrise to Sunset, all the way, Amen
